

# PUBLIC FORUM ON OBSESSIVE COMPULSIVE DISORDER

Know of a loved one or friend who might be having OCD?

The Singapore Mental Health Study 2016 show that obsessive compulsive disorder (OCD) is one of the top three mental disorders in Singapore.

Come join us to learn about OCD!

- What OCD is about
- Signs and symptoms
- Treatment for children and adults
- Help services available in the community
- Stories of recovery by people with lived experience and their caregivers

**Saturday 23 February 2019**

9.30am - 12.30pm

UTown Auditorium 1, Town Plaza  
National University of Singapore  
1 Create Way  
Singapore 138602
