

Competency Based Clinical Supervision Skills Training

Singapore: 10th-11th February 2020

ABOUT THE WORKSHOP

This 2-day skills-based workshop provides participants with a thorough understanding of the principles and practice of effective clinical supervision. You will learn about contemporary theories of competency based supervision and learn how to set up, manage and evaluate both individual and group supervision contexts incorporating best practice standards and reflective practice. This workshop is interactive including live demonstrations, small group activities, video vignettes, practice exercises and class discussion (12 hours CPD).

DATES & FEES

Dates & Times: 10th-11th February 2020
Monday 10th February 2020 9:00am-4:30pm
Tuesday 11th February 2020 9:00am-4:30pm

Location: ACC EduHub
51 Cuppage Road, #03-03
Singapore 229469

Fees: *Early bird \$660.00 AUD*
(ends 19th December 2019)

Standard fee \$720.00 AUD
(from 20th December 2019)

All course notes provided electronically including references, PowerPoint presentations and a Supervision Resources Handbook.

TOPICS INCLUDE

- Setting up competency based clinical supervision
- Establishing and managing the supervisory relationship – the working alliance
- Live demonstration (pre-supervisory meeting; contract setting and establishing learning goals)
- Reflective practice theory and practice
- Supervision interventions (using videos and tapes, assessment of skill acquisition)
- Micro-skills training, modelling and demonstrations
- Structural considerations (individual vs group contexts, tele-health supervision)
- Techniques and methods, including case consultation, writing activities, journal, log books, process recording, and structured case review forms and live observation methods
- Supervision relationship issues (awareness and sensitivity to diversity)
- Evaluation methods
- Providing effective feedback.

There is also an option to undertake this training as part of the AHPRA (Australian) Approved Full Supervisor Training by completing Part 1: Online course (10 CPD points) and Part 3: Assessment of Competency (10 CPD points) for those eligible for AHPRA Supervisor Accreditation.

To undertake this you must already hold AHPRA Psychology accreditation - additional fees apply for Part 1 (online course) and Part 3 (Assessment of Competency) Total \$900.00 AUD for all three parts (including two day workshop).

The two day workshop is equivalent to Part 2 AHPRA supervisor Training for new supervisors (12 CPD points).

ABOUT THE PRESENTER

Christine Senediak is a PsyBA supervisor trainer with 35 years' clinical experience and over 30 years' as a supervisor and educator. She supervises widely providing individual, peer, group and organisational supervision to psychiatrists, psychologists, social workers and other health clinicians working in child and adolescent and family services, schools, adult mental health, drug health, gambling, sexual assault, cross cultural and trauma services. She divides her time between education, clinical work and supervision.

Christine employs a competency based and reflective practice approach to supervision enhancing self-awareness of relational issues between therapist, client and systems. Christine incorporates elements of systemic, cognitive behavioural, mindfulness and person centered therapies in supervision and training.
