ABOUT MELROSE CARE

Melrose Care is a community based mental health service that provides counselling and expressive psychotherapy services to meet the needs of children, adolescents and their families experiencing emotional and psychological difficulties.

We are a multidisciplinary team of trauma-informed mental health & social care professionals who work collaboratively with other professions in the community to support the child/ young person's life.

Due to a change in our services, we are selling the above inventories at discounted prices.

*Further price negotiations can be offered if self pick-up from Melrose Care Counselling Centre.
